

#SLSListens: Enhanced Lesson Features

COMING TO YOU ON 8 DECEMBER

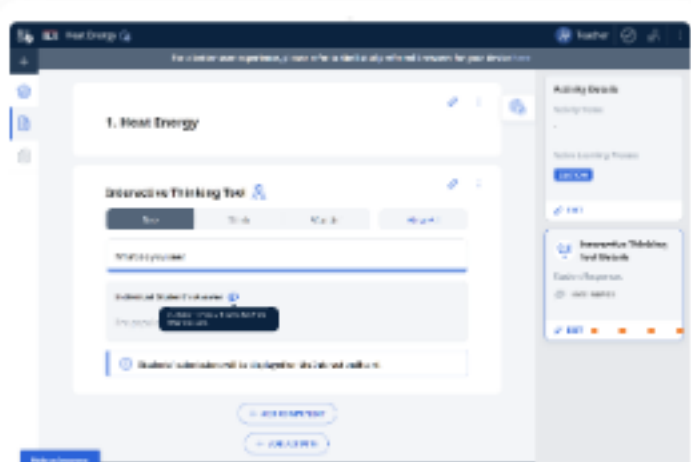

“Preview as Student”

While creating lessons and courses, select “Preview as Student” (👁️) to experience how students will interact with an assignment.

View Comment Count

View the number of comments on the “Interactive Thinking Tool” cards, “Annotation” cards and “Class Forum” posts.

Anonymous Responses in the “Interactive Thinking Tool”

Establish a safe space for students to give anonymous responses when required.
