

Search for Resources with Topic Filters

Topic Filters

MOE Resources are tagged to topics/sub-topics in a Content Map of a Subject and Level (e.g. Pri 1 Mathematics). You can refine your search results by applying topic filters, so that only resources for your selected topics/sub-topics are shown.

- 1 Select one Subject and one Level

- 2 To add more filters (e.g. location of resource) click
- 3 Otherwise, click “Apply”, then click “Add Topic Filters” in the dropdown

- 4 Select Topics/Sub-topics that interest you and click “Apply”

- 5 Your search results for the topics/sub-topics will be shown.
