

# Edit Assigned Lessons!

One of the most requested features is now available on SLS!  
 You can now edit lessons and courses that have been assigned.

**RELEASE 15: POSTER 3 OF 7**

- Edit Components in an Assignment**
  - Choose to edit, add, or remove components in an assignment (e.g. addition of a click-and-drop question).

- Pause and Resume Assignments**
  - Assignments are automatically paused when being edited.
  - Notify students once editing is completed.

**NEXT POSTER**  
 'Star' your preferred resources and save time when designing lessons!
